Dear Sir:

If you have not previously received an invitation to become a member of The American Numismatic Society, will you permit me to remedy that condition? I was recently informed that you are interested in numismatic pursuits, and if you will give us the pleasure of welcoming you at our Museum, I feel sure that we can demonstrate that we have means of being of service to you.

I am taking the liberty of enclosing an application card in the event that you may prefer to qualify for membership before it is possible for you to visit our quarters.

Very respectfully yours,

Secretary.

My dear Sir:

I appreciate the kind invitation contained in your letter of the 16th to become a member of your Society, but am sorry to say that the various organizations to which I am obligated are so numerous that I must rather cut down on them than add to them. I am keenly interested in the work of your Society and thank you for the suggestion.

Yours very truly,
